27 January 2017

From the Principal's pen

Welcome to our open day for new parents!

It gives me pleasure to inform you that most of our new learners have adapted very well to their new environment.

Please note the following points:

PROGRAMME FOR TODAY

12H30 – 14H00 Parents of new learners meet with educators to collect preliminary assessment reports.

VENUES FOR COLLECTION OF PRELIMINARY REPORTS

Grade R - 3 - Class rooms
Grade 4 - 7 - School Hall

Please be reminded that this weekend is a **COMPULSORY OUT WEEKEND (COW)** and all the boarding homes will be locked at **17h00**.

CODE OF CONDUCT

The School Governing Body has revisited the Code of Conduct. We feel that all role players need to combine in the effective and practical implementation of discipline strategies. All learners have received a **Code of Conduct** today.

Please peruse the document and discuss the important objectives, rules and regulations with your child. The Code of Conduct must be signed and initialled by parents/guardians and returned to school on Monday 30 January 2017. Where possible, it will be a good exercise, to ask the learner to sign as well, this will further endorse the importance of the code.

MEDICAL EMERGENCIES

When faced with a medical emergency it is VERY IMPORTANT that we have all necessary information. If you have not already provided us with copies of your medical aid card and ID document, kindly do so at your earliest convenience. If you have changed medical aids, please supply us with a new copy of medical aid information. This is vital for your child's health and safety.

NEW EMERGENCY NUMBER: 078 217 0505

d6 SCHOOL COMMUNICATOR

The Management Team of Lord Milner School would like all communication with parents to be "paperless".

For this reason, we subscribe to the digital, d6 School Communicator, to make this possible. By simply downloading the App from your Playstore, you can access newsletters, circulars, programs, photographs and important documents. The "HOME" Menu gives you access to all of the above.

Any communication with the school must be mailed to admin@lordmilner.co.za not the D6.

SETTLERS HIGH SCHOOL

Boarders with brothers and sisters at Settlers High school must return with permission letters to visit on Sundays. Please make use of the slips attached.

FOOD ALLERGIES

Boarders with food allergies must submit the copy of the medical test results to their Boarding Home matron.

SWIMMING

Make sure your child has a swimming cap and two towels for swimming.

GRADE R - 3

Parents of learners in Grade R – 3 please ensure that your child has your contact number. You can hand your child R15 to phone you. This amount will be sufficient until the next COW.

SCHOOL GOVERNING BODY BI-ELECTION

Please note and diarise the information regarding our SGB bi-election on Friday 17 February 2017.

Your support will be appreciated.

Please be aware of the fact that serving and availability on the SGB is a very important task.

CLUBS!!!!

Proof of payments for clubs **HAS** to be sent to Mrs Fourie at club@lordmilner.co.za immediately after payment is made.

BUS

We issue bus tickets to those travelling on the LMS buses for efficient control. If the ticket gets lost over the weekend, the child may still travel on the bus as records of payment are kept by the bus drivers. Please be reminded that bus drivers have been instructed not to stop on route to load children who were not at the bus stop on time.

Please make sure when booking and paying for a bus, you wrote on which bus your child must travel.

Have a wonderful weekend with your children.

Kind regards,

Mr H. van Aardt

NEW LEARNERS - 2017

Parents must please send the FINAL Report of your child to the school, before we can place your child in the relevant class.
