From the Principal's pen

*Only with action may anything be accomplished.
Only with deeds may goodness come into the world*

1. ACADEMIC ACTIVITIES.

Progress Reports will be handed to learners on Friday 30 June 2017. The children have completed the prescribed Formal Assessment Tasks for Term 2.

2. NETBALL

All our netball teams (u/8 – u/13) travelled to local schools for matches in the Waterberg League. The girls did us proud. Thank you to Ms Mashita and her group of ladies who worked hard to coach outstanding teams.

CRICKET & HOCKEY

The two main extra mural activities for Term 3 will be cricket and hockey. The hockey girls must remember to bring their hockey sticks, balls, mouth guards and shin pads.

SOCCER.

Our boys also participated in games against local schools. A sincere thanks to Mr Griesel and his coaches for a good season. Six of our boys played for the Waterberg team.

3. REVUE

Our 85th Anniversary will be celebrated with our Revue in September 2017.

4. COMMENCEMENT OF TERM 3 2017

Boarders return to the boarding homes on **Sunday 23 July 2017**. The first school day is **Monday 24 July 2017**.

5. FINANCES

Accounts must be settled in FULL before a learner will be accommodated. Regrettably there can be no exceptions to this policy. Clearance slips will only be issued once payment has been received.

The Governing Body has given an instruction that NO LEARNER may be admitted where accounts are in arrears. This will be strictly enforced.

6. BUS WEEKENDS

The School Management Team makes every effort to ensure that bus weekends run smoothly. The safety and security of the children on the buses is our priority.

The following problems make our task extremely difficult:

- ❖ Parents who book very late and disrupt our planning.
- ❖ Parents who demand a seat on a bus which is already FULL.
- ❖ Parents who collect their children very late from the bus stop.
- ❖ Parents who try to stop a bus after it has departed from the bus stop – endangering the lives of the children already on the bus.

Special thanks to **Mrs Shandukani** and **Mrs Yokwana** for volunteering for the job of waiting for parents who are late.

7. EMERGENCY CELL PHONE NUMBER
The Head of Boarding Homes, Mrs Swart mans this number in a very diligent way. This is a very daunting task. Please respect her privacy – do not dial it unless there is an emergency. This number may **not be used** during school hours or school holidays.
