

Lord Milner School

2017

Mrs Swart told her Grade 1 class about Koalas and that their environment is in danger, due to the wrong doing of humans. This is the homework she received from one of the kids when she had to identify the letter "k" on the worksheet.

The Foundation Phase ended the Entrepreneurs week with hoola-hoops as a surprise. The kids had so much fun!!!

2 March 2017

Early this morning Alice (6) in Gr 1Y said to Mrs Hitchcock: "God blessed me. He gave me teeth that are shining and as white as the blocks on my dress."

Later the afternoon, after exchanging a tooth, she popped into Mrs Hitchcock's class: "Look I lost one of my blessed teeth" 💙💙💙

LMS Foundation Phase ladies doing our "thing" as part of fundraising!! Such a great team.

Thank you NTK Settlers for the donation of the Jungle Gyms. This will be on our Grade R playground.

2016

11 August 2016

After this past long weekend little Reabetswe(6) in gr1y told the class how sad he was when being dropped off at the hostel:

'I went to the dining hall and nearly cried, but I didn't.

My tears just stayed inside my eyes...

I then remembered how strong these little people try to be when their parents leave without them....

18 August 2016

This morning when my gr1's walked into class Mojalefa told me: 'My mom came home yesterday with my new baby brother. And he looks just like you.' 😊

Later today I was cutting Reabetswe's birthday cake. Lwandle: "Miss you smell just like Deandré"

Wow, awesome that these little people look at the world through different eyes. Us grown-ups can learn a lot from them.

8 September 2016

Mrs Hitchcock: Who wants to pray today?

Mahle (6): Help those who are poor to control us to give them food, clothes and everything. Amen

Hahaha! Never a dull day when teaching gr 1's.....

Why not be a Ninja while working in my Maths book...?

21 September 2016

Tonight after supper these two grade 1 boys got bags from somewhere and took the initiative to clean the playgrounds all by themselves. Farai and Masego Mrs Hitchcock is very proud of you.

Two Grade 1Y girls very proud of their 3D bush pictures.
